Dear Valued Customer:

Certificate of Compliance

Ref: RoHS Declaration

This is to certify that plastic and hardware components made by Anderson Power Products® are RoHS compliant, per 2002/95/EC, its amendments, and directives (EU) 2015/863 (RoHS-II), (EU) 2015/863 (RoHS-III, 3.0), 2003/11/EC, 2006/122/ECOF directives, and do not intentionally contain materials that exceed the maximum concentration for the following RoHS substances:

Table with 1 column and 7 rows listing RoHS substances: Material, Lead, Mercury, Hexavalent Chromium, Cadmium, PBB or PBDE or DBDE, DEHP or BBP or DBP or DIBP

In addition, APP products do not use the brominated fire retardants Pentabromodiphenyl ether (PentaDBE), Octabromodiphenyl (OctaDBE), and Decabromodiphenyl ether (DecaBDE). APP products also do not use Perfluoro Octanic Sulfonates (PFOS).

If you have any questions, or if you need additional information regarding our products, please contact Customer Service Department directly at +1-978-422-3800 or via e-mail at customerservice@andersonpower.com
