## Anderson Power Products® Expands SB® Environmental Boot Series

Anderson Power Product® (APP), a leader in high power interconnect solutions, now offers Environmental Boots to protect their dual pole SB® 50, SB® 120 and SB® 175 connectors from water, dirt, chemicals and UV. The IP64 rated, durable soft sided Environmental Boots' shield the SB® connectors from water and dirt in both the mated and unmated condition.

SB® connectors, with their mechanical keyed and genderless housings, fit securely in the Environmental Boots. The Boots can be customized by the user to accommodate a wide range of wire sizes from 6 AWG [13.3mm<sup>2</sup>] to 1/0 AWG [53.5mm<sup>2</sup>] depending on the SB® connector selected.

For more information about SB® Environmental Boots, SB® and more innovative Anderson Power Products connectors please visit [www.andersonpower.com](http://www.andersonpower.com).

### About Anderson Power Products®

Anderson Power Products® is a leader in developing high quality, low cost, power interconnect solutions for industries including: Back Up Power Systems, Electrical Vehicles, UPS Systems, Telecommunications High-Technology Devices and Alternative Energy Solutions. Headquartered in Sterling, MA, Anderson Power Product's facility is ISO 9001:2008 certified and uses automated manufacturing to offer uncompromising quality. In addition, APP operates a distribution and assembly facility in Warrington, England to provide support for their European customers, as well as three Asia Pacific facilities: Shenzhen, China, Shatin Hong Kong and Taichung City 407, Taiwan (R.O.C.).

APP® connectors are available through their authorized distributor network or direct from the factory. For further information about the company and its products, call 978-422-3600 or visit [www.andersonpower.com](http://www.andersonpower.com).
